

# TRAINING

ONE TO ONE FRENCH

## EDUCATIONAL GOALS

- Read in French and understand the meaning of a text
- Relate a text to its circumstances of enunciation
- Write in French using common vocabulary
- Keeping a simple or technical conversation

## CLASS FORMAT

The content and format of our training courses are defined according to your needs and constraints.

## OUR PEDAGOGY

- Dynamic animations based on progressive methods and scenarios
- speaking
- Written exercises
- Cultural immersion
- Provision of a resource center for fun and immersive learning

## OUR PROGRAM

In order to promote the learning of our students, we first carry out a linguistic evaluation, in order to better determine the level and the needs of each one.

Our trainings are here to help., our teachers adapt their lessons and pedagogies according to the profile and needs of each one.

Discover the French language and culture, progress in speaking and writing thanks to a complete training course:

- Grammar / Vocabulary
- Oral and written comprehension
- Realization of authentic tasks
- Interaction in a variety of situations
- Total immersion in a French-speaking environment

# TRAINING

ONE TO ONE FRENCH

## EVALUATION

The student will be assessed through a scenario, calling on the vocabulary and concepts mentioned in the course. A skills assessment sheet is given to each trainee allowing them to assess their skills. If the training is validated, a skills certificate will be given at the end of the course, if validation.

You also have the option of taking the Bright test and obtain an official certification of your language level recognized throughout Europe. (Price: 70 €).

**At the end of the training, each trainee receives:**

- A support covering the main theoretical concepts discussed.
- The end-of-session evaluation sheet, attesting to the student's level.
