SEMINAR

FACILITATE A FRENCH SOCIETY COURSE

OUR PROGRAM

- The seminar on French civilization revolves around the major questions that drive modern French society. In particular, it will address issues related to citizenship and nationality, living areas, the conquest of rights and freedoms in France, citizen participation in the city, the educational institution, the rights of French women and the defense of minorities, secularism, justice as well as the place of France in the European Union and in the world.
- The understanding of the present is articulated on that of the past and therefore on a discovery of the key periods of the history of France, associated personalities.
- The seminar will allow participants to run courses on its subjects by promoting interaction, by modularizing the content in the form of interactive workshops promoting the involvement of learners.
- Each teacher will have an educational toolbox that will allow him to promote the anchoring of knowledge, by relying on innovative teaching methods which are a vector of group cohesion.
