EVALUATION

The student will be assessed through a scenario, calling on the vocabulary and concepts mentioned in the course. A skills assessment sheet is given to each trainee allowing them to assess their skills. If the training is validated, a skills certificate will be given at the end of the course, if validation.

You also have the option of taking the Bright test and obtain an official certification of your language level recognized throughout Europe. (Price: 70 €).

At the end of the training, each trainee receives:

- A support covering the main theoretical concepts discussed.
- The end-of-session evaluation sheet, attesting to the student's level.
