## EDUCATIONAL GOALS

French classes to acquire all the necessary skills to develop your linguistic and cultural competences. Practice in French and improve your: vocabulary, grammar, oral and written expression and comprehension

## TEACHING METHODS

Tailor-made programs :

1. Up-front: linguistic test to define the linguistic profil of each participant
2. Qualified teachers design the course and its content according to the participant's needs

## PROGRAM

Discover the french culture and language in order to improve both your oral and written skills:

- Dynamic exercises based on progressive methods and real-life situations
- Cultural immersion
- Oral & written expression
- Access to a library (on demand) with all the theoretical and learning content in order to strenghten your knowledge

## EVALUATION

Role play exercise in which the participant will have to use what has been learned during the course

At the end of the course, each participant will receive the following:

- A written sum-up of what has been learned throughout the course
- An evaluation form indicating the linguistic level of the participant

You can also request to pass the CLOÉ certification (Oral and Written Linguistic Skills) at the price of 120 € (for CPF users, the price of the certification is included in the financing).
