

ACCESSIBILITY

# PWD

## ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

On site, you will benefit from the presence and support of our disability advisor together with his team.

Several facilities are organised in way that people with disabilities can follow adapted courses.

## A REFERENT AT YOUR DISPOSAL

We put great effort to ensure that students are comfortable and enjoy their experience to its best.

To ensure inclusion, the school has dedicated facilities for PWD: a lift, a specially equipped bedroom, a classroom on the ground floor with several access ramps, adapted toilets, etc.
