

TRAINING

ENGLISH FOR REAL ESTATE

EDUCATIONAL GOALS

Individual professional training to improve your level of English within the real-estate field :

- Develop the quality of your exchanges within the context of a sale
- Develop your oral fluency to conduct a visit or negotiate a sale
- Optimise your commercial process in english
- Create professional documents in English : contracts, emails, rental contract ...

TEACHING METHODS

Theoretical and practical teaching elements - course material and training

Dynamic animations - improvisation & simulations

Role play : fake a sale, a negotiation, a deal...

PROGRAM

- Develop your oral fluency in professional real estate situations
- Describe real estate property and know how to add value to it (location, surface area, number of rooms, strength...)
- Understand and be able to explain to selling process for a property

EVALUATION

A session of role-play exercises during which the participant has to recall the concepts that have been learned throughout the training.

You can also request to pass the CLOÉ certification (Oral and Written Linguistic Skills) at the price of 120 € (for CPF users, the price of the certification is included in the financing).
