

# COURSES

SPANISH

## EDUCATIONAL GOALS

Individual or in group Spanish classes to acquire all the necessary skills to develop your linguistic competences. Practice in Spanish and improve your: vocabulary, grammar, oral and written expression and comprehension. Acquire the necessary lexicon and be able to adapt your conversation to any speaker or context

## TEACHING METHODS

Tailor-made programs :

1. Up-front: linguistic test to define the linguistic profil of each participant
2. Qualified teachers design the course and its content according to the participant's needs

## PROGRAM

Discover the spanish language in order to improve both your oral and written skills:

- Dynamic exercises based on progressive methods and real-life situations
- Oral expression
- Written expression
- Access to a library (on demand) with all the theoretical and learning content in order to strenghten your knowledge

## EVALUATION

Role play exercise in which the participant will have to use what has been learned during the course

At the end of the course, each participant will receive the following:

- An evaluation form indicating the linguistic level of the participant

## DURATION

30h/week
